HOUSEHOLD FAVORITE.

A young girl here had been suffering for 12 years with blood diseases until she had lost the use of her limbs and was subject to many troubles incident to the disease. The physicians declared her case incurable and predicted that her life would come to a speedy end. After taking S. S. S. she recuperated so fast that it was plain that she had obtained a new lease on life, and she has continued to grow better until her permanent cure is assured. Many other patients in our hospital have obtained signal bene fit from S. S. S., and it has become quite a faverite in our house.
